

REMARKS**I. Response to Rejections under 35 USC§112:**

At page 2, item 2, claims 6, 28-30, and 39 are rejected under 35 USC§112, second paragraph, as being indefinite for failing to point out and distinctly claim the subject matter which the Applicant regards as the invention.

In response to the rejection, claim 6 has amended to remove the limitation of "launching an instance of an application associated with the document locally, within the printing module, without displaying the application or the retrieved document(s) to the user".

Regarding claims 28-30, claim 28 (from which claims 29 and 30 depend) has been amended to depend from claim 27.

Claim 39 has been canceled.

Accordingly, the Applicant believes that the rejection has been overcome.

II. Response to Claim Objections:

At page 4, item 5, claims 2-3, 9-13, 19-27, and 37 are objected to as being dependent on a rejected base claim, but would be allowable if rewritten in independent form including all of the limitations of the base claim and any intervening claims.

In response, the Applicant has amended claim 1 to include the limitations of claim 2, and claim 2 has been canceled. Claim 18 has been amended to include the limitations of claim 19, and claim 19 has been canceled. Claim 36 has been amended to include the limitations of claim 37, and claim 37 has been canceled.

Accordingly, the Applicant believes that all pending claims are allowable.

III. Additional Fees:

It is not believed that additional fees are due at this time; however, if any additional fee is required in connection with the filing of this Amendment, please charge the fee to Deposit Account No. 08-2025.

Respectfully Submitted,
Aloke Gupta et al.
